ENVIRONNEMENT/ENERGIE SPECIALS

<p>JANUARY 2010 - 'InfoTechnique Trendwatch' Special issue with trends in engineering, production, maintenance, energy & environment in collaboration with Engineeringnet.be, Maintenance Magazine and Pumps & Process Mag. (circ. 11,000)</p>	<p><i>Deadline</i> 04/01/2010 <i>Issue date:</i> 25/01/2010</p>	
<p>MARCH MOTION CONTROL SYSTEMS <input type="checkbox"/> Factory: HMI interfaces (SCADA, operator panels, ...) <input type="checkbox"/> Process: wired & wireless instrumentation <input type="checkbox"/> Design: CAD/CAM, design & 3D simulation software <input type="checkbox"/> Logistics: Auto-ID & RFID-systems</p>	<p><i>Deadline</i> 24/02/2010 <i>Issue date:</i> 17/03/2010</p>	<p>Theme supplement: Visitors Guide Trade Fair 'Industrie & Milieu 2010' easyFairs Industry & Environment - 24-25 March 2010 Antwerp Expo</p>
<p>MAY INDUSTRIAL NETWORKS & FIELDBUSSES <input type="checkbox"/> Factory: measuring & controlling <input type="checkbox"/> Process: technical installations & equipment <input type="checkbox"/> Design: Product Lifecycle Management & Data Management <input type="checkbox"/> MES systems: production information systems</p>	<p><i>Deadline</i> 14/04/2010 <i>Issue date:</i> 05/05/2010</p>	<p>Theme supplement: Energie & Engineering Supplement about energy and environmental technologies</p>
<p>JUNE ENGINEERING COMPANIES & SYSTEM INTEGRATORS <input type="checkbox"/> Factory: fieldbuses & industrial networks <input type="checkbox"/> Process: DCS & controller based systems <input type="checkbox"/> Engineering: industrial engineering & system integration <input type="checkbox"/> Logistics: material handling & inbound transportation</p>	<p><i>Deadline</i> 24/05/2010 <i>Issue date:</i> 14/06/2010</p>	<p>Theme supplement: Energie & Engineering Supplement about energy and environmental technologies</p>
<p>SEPTEMBER MECHANICAL ENGINEERING & MACHINEBOUW <input type="checkbox"/> Factory: PLCs, PC automation & Ethernet <input type="checkbox"/> Process: measuring temperature, flow, pH,... <input type="checkbox"/> Design: software for electrical design <input type="checkbox"/> Engineering: mechanical engineering & industrial automation</p>	<p><i>Deadline</i> 31/08/2010 <i>Issue date:</i> 21/09/2010</p>	<p>Theme supplement: Energie & Engineering Supplement about energy and environmental technologies</p>
<p>DECEMBER (WASTE) WATER TREATMENT <input type="checkbox"/> Factory: guidance & positioning systems & components <input type="checkbox"/> Process: hybrid batch automation (food & pharma,...) <input type="checkbox"/> Design: designing and testing control loops <input type="checkbox"/> Logistics: system automation & integration</p>	<p><i>Deadline</i> 19/11/2010 <i>Issue date:</i> 10/12/2010</p>
